Job Title: Java Developer (Rules Team)
Req #: T-00057
Level: Junior - Mid

COMPANY PROFILE

NikSoft Systems Corporation is a recognized Information Technology solutions provider. Founded in 1998 and based in Reston, Virginia, NikSoft is a CMMI Level 3 Certified company with an established reputation for excellence and on-time delivery with a consistently high customer satisfaction rating from its Federal Government and private consulting contracts.

JOB DESCRIPTION

NikSoft is searching for a full-time **Java Developer** to join our fast growing team of Information Technology professionals supporting the Department of Homeland Security's Customs & Border Protection (CBP) program, in Alexandria, VA. This position is for a Java developer that has a strong background in Java, Spring Framework, and SQL. The job involves designing and implementing components for data processing applications as well as Spring MVC web-based applications.

Duties
- Design, implement, test, and document business object models, application services.
- Create relational data models in Oracle (DDL) and general data maintenance/analysis tasks
- Participate in big-data and search related development involving Hadoop, Pig, Sqoop, and Elasticsearch

Required Skills
- **5+ Years of Hands on skills; may have more overall IT experience.**
- **Degree: BS**
- Expertise with Java, Spring Framework (IOC, AOP, Spring Transactions, JDBC Templates)
- Experience working with Message Queues and JMS
- Experience working in a UNIX/Linux environment and creating shell scripts
- Expertise with SQL and experience working with Oracle
- Good understanding of enterprise architectural patterns including J2EE design patterns

Nice-to-Have Skills
- Experience with big-data tools Hadoop, Pig, Sqoop
- Experience with Elasticsearch
- Experience using Spring MVC
- Experience using an Open Source Rules Engine such as Drools or Jess

- Experience with front-end technologies: JavaScript, JSON, HTML, AJAX, JSP, CSS

Requisites:

Clearance – Must pass CBP BI. Must have a DoD Secret or be eligible to obtain one. Citizenship – Must be a US Citizen.

BENEFITS

- NikSoft's competitive benefits program includes comprehensive medical and dental care, 401K, paid time off, flexible spending accounts, disability coverage, and other benefits that help provide financial protection for you and your family.
- NikSoft is an Affirmative Action/Equal Opportunity Employer and supports diversity in the workplace. Applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, age, disability, veteran status, marital status, or sexual orientation.
