COMPANY PROFILE

NikSoft Systems Corporation is a recognized Information Technology solutions provider. Founded in 1998 and based in Reston, Virginia, NikSoft is a CMMI Level 3 Certified company with an established reputation for excellence and on-time delivery with a consistently high customer satisfaction rating from its Federal Government and private consulting contracts.

JOB DESCRIPTION

We are seeking full-time Business Architect candidates to support a contract for a Federal Banking Regulatory Agency located in Arlington, VA. **US Citizenship is required for this position.**

RESPONSIBLITIES

- Serve as Senior Member of the Program Management team
- Develop, implement and maintain a business architecture strategy based on a situational awareness of various business scenarios and motivations
- Recommend and apply a structured business architecture approach and methodology for the capture and creation of key views across the enterprise
- Manage tactical and strategic enterprise goals to ensure traceability
- Maintain a broad, enterprise-wide view of the business and varying degrees of appreciation for strategy, processes and capabilities to enable technology, data and governance
- Recognize and recommend improvements to structural issues within the organization, functional interdependencies and cross-silo redundancies

KNOWLEDGE AND SKILLS

- Expert ability in model-based representations and other high level modeling techniques, oral and written communications, situational analysis and decision-making
- Experience in maturing and maintaining business architecture programs within an organization
- Expertise in consolidating disparate and dispersed business information into an integrated and structured framework including identifying the linkages through the business artifact hierarchy (e.g., capability, process, data, etc.).
- Mastery of integrating business architecture with other enterprise architecture domains

- Skilled in business process management, business relationship management, and risk management and security
- Familiarity with RUP, Agile, Scrum, CBAP and/or Test certifications, BABOK, Agile Extension, TFS, ReqPro, UML, BPMN, Value Stream Mapping, APQC

EXPERIENCE: 10+ years

EDUCATION: Bachelor's Degree

DESIRED CERTIFICATIONS: TOGAF ADM and / or BACOE

OTHER REQUIREMENTS:

- U.S. Citizenship Required
- Must be able to obtain a Public Trust security clearance
- Position requires background investigation and credit check

BENEFITS

- NikSoft's competitive benefits program includes comprehensive medical and dental care, 401K, paid time off, flexible spending accounts, disability coverage, and other benefits that help provide financial protection for you and your family.
- NikSoft is an Affirmative Action/Equal Opportunity Employer and supports diversity in the workplace. Applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, age, disability, veteran status, marital status, or sexual orientation.
