

**Job Title:** Java/JavaScript UI Developer (Rules Team)

**Req #:** T-00058

**Level:** Senior/Master

## COMPANY PROFILE

NikSoft Systems Corporation is a recognized Information Technology solutions provider. Founded in 1998 and based in Reston, Virginia, NikSoft is a CMMI Level 3 Certified company with an established reputation for excellence and on-time delivery with a consistently high customer satisfaction rating from its Federal Government and private consulting contracts.

## JOB DESCRIPTION

NikSoft is searching for a full-time **Rules Developer** to join our fast growing team of Information Technology professionals supporting the Department of Homeland Security's Customs & Border Protection (CBP) program, in Alexandria, VA. This position is for a web developer that has a strong background in UI application development using Java, Spring MVC, JavaScript, JQuery, and CSS.

### Duties

- Design, implement, test, and document front end components: JavaScript, CSS, HTML, JSP
- Design, implement, test, and document middle tier components: application services
- General data research/analysis of application data via SQL

### Required Skills

- 5 + years' experience in required skills; may have more overall IT experience.
- Expertise with Java, Spring MVC, JavaScript, JQuery, JSON, HTML, AJAX, JSP, CSS
- Experience with Spring Framework (IOC, AOP, Spring Transactions, JDBC Templates)
- Experience using Tomcat or WebLogic
- Experience working in a UNIX/Linux environment
- Expertise with SQL and experience working with Oracle
- Good understanding of enterprise architectural patterns including J2EE design patterns
- Experience using an Open Source Rules Engine such as Drools or Jess is preferred

### Requisites:

Clearance – Must pass CBP BI. Must have a DoD Secret or be eligible to obtain one.

Citizenship – Must be a US Citizen.

## **BENEFITS**

- NikSoft's competitive benefits program includes comprehensive medical and dental care, 401K, paid time off, flexible spending accounts, disability coverage, and other benefits that help provide financial protection for you and your family.
- NikSoft is an Affirmative Action/Equal Opportunity Employer and supports diversity in the workplace. Applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, age, disability, veteran status, marital status, or sexual orientation.
